

Dear MarshfieldAreaSports.com Reader,

MarshfieldAreaSports.com launched in 2010 with the purpose of providing area sports fans with a reliable source for accurate, timely and in-depth coverage of Auburndale, Marshfield, Columbus Catholic, Spencer and Stratford high school athletics, as well as Marshfield Chaparrals and Legion baseball, and other local sports.

During the past 12+ years and nearly 3.2 million page views later, MarshfieldAreaSports.com has become a go-to spot for fans craving local results, schedules, standings, and game recaps of their favorite teams.

In order to continue providing area sports fans with the coverage they crave, MarshfieldAreaSports.com is continuing its donation campaign. Individual Sponsor and Company Sponsor walls on the website highlight readers and businesses that have made financial contributions to MarshfieldAreaSports.com.

A donation on your part of \$50 or more per individual/family or \$300 for a business for the next year will ensure the future of the website and help support MarshfieldAreaSports.com's LOCAL sports coverage.

Your support is much appreciated and I thank you in advance for any contribution you can make.

Sincerely,

Paul Lecker
